

Distance (from last turn)	Road	Description
0 mi	<b>Get on I-57 South.</b>	Take Green St. west until it ends at Mattis Ave. Turn right (north) on Mattis and take it about ½ mile to Church St. (look for Schnucks grocery store on the right and signs for I 57 and I 74). Following the signs toward I 57 turn left (west) onto Church just past Schnucks. Take this about ½ mile out to I 57 and head south on I 57.
188.8 mi	<b>Take exit 44 (I-24 East).</b>	You will be on the interstate for a little over three hours. There are four rest areas along the way. A few miles south of Marion (Marion is about 2 hours and 45 minutes south of Champaign, 180.3 miles) you will come to the exit for I 24.
7.8 mi	<b>take exit 7 (Tunnel Hill) Turn left</b>	Take I 24 for about 8 miles to the Tunnel Hill Rd. exit. Exit here and go left (east) toward Tunnel Hill (last place to buy gas and snacks is the Citgo at the Tunnel Hill exit, however the gas is expensive here and your best bet is Marion).
6.6 mi	<b>Turn left at the first stop sign (Rt 45)</b>	Stay on Tunnel Hill Rd. until you come to the first stop sign at Rt. 45 (there will be a school and a water tower on your right).  Turn left (north) on Rt. 45. Keep your eyes open at this point. You will drive north on Rt. 45 for about 8-10 minutes to Ozark road on the right (east). You will know it by the <u>very</u> small grocery/gas station on the left called “Ozark General Store” (the second small grocery/gas station on Rt. 45) and a sign on the right that says “Ozark”.
3.8 mi	<b>After 4 miles, Turn Right on Ozark</b>	Turn right (east) onto Ozark road and follow it through Ozark (don’t speed through town). You will stay on Ozark road for about 4.5 miles. Drive carefully as there are several blind hills and sharp curves.

**Turn right  
onto "Glen St.  
Falls Rd"**

Once the road narrows and you pass the second cemetery ("Old Zion Cemetery") on the right, you will come to a very short straight away (0.25 miles). Start looking for Glen St. Falls Rd on the right with a sign reading 'Jackson Falls' and an arrow. It is gravel and a large white farmhouse sits on the S/E corner. Turn right (south) onto this gravel road.

**You're there.**

Follow Glen St. Falls Rd all the way to the camping area at Jackson Falls (about 5-8 minutes). You will know you are there when you descend a fairly steep hill and come to a shallow stream crossing at the bottom. Just before the stream a road on the right leads into a parking/camping area (pit toilet here). Just past the stream another road on the left leads into more parking/camping. Be careful driving over this stream, as many cars have bottomed out here. Also, drive carefully down the deeply rutted road towards additional camping.
